

Winter Science Quest

Are you ready to challenge yourself with a Holiday Science Quest?

Earn 10 housepoints for house by completing a challenge and bringing it into school after the Christmas holidays.

Nursery and Reception

Ice cube tower

Can you make an ice cube tower? How many ice cubes will you need for your tower?

What you need

- ice cubes
- plate or tray

What to do

1. Pick a number
2. Count out the number of the cubes
3. Build the cubes on top of each other to make a tower.
4. Take a picture of your tower.
5. Wait and watch what happens to your tower.
6. Take another picture of your tower now.
7. Tell an adult what has happened.
